October Is Fire Prevention Month

According to the National Fire Protection Association (NFPA), a home structure fire was reported every 87 seconds in 2009. Is your family prepared for a fire emergency? October is National Fire Prevention Month and it serves as an excellent time to examine your preparedness. Do you have a home fire escape plan? Have you changed smoke-alarm batteries within the last year? Do you know the main reasons for fires starting in the home? Get more information on Fire Prevention Month

and Week at the NFPA's website www.nfpa.org. 

Call your local Fire Station to learn about the different activities that are planned for fire prevention in your area or check out our Facebook page - Northern Ponca Housing Authority- for events listed there.

Christmas 2016

It's not too early to be thinking about Christmas and trying to figure out what to buy for the people on your list. Most of you are very creative and crafty! Have you ever thought about MAKING your Christmas gifts instead of purchasing them? You will save lots of money and homemade gifts are always the best, especially for that "hard to buy for" person! Get started now and all your "hand-made" gifts will be ready by Christmas!! ☺
