### **POLICY STATEMENT**

The purpose of the Northern Ponca Housing Authority's (NPHA) Down Payment Assistance (DPA) Program is to provide the members of any federally recognized Tribe purchasing a house in one of NPHA's service areas with affordable homeownership financing opportunities to help improve the quality of life in the tribal communities with one-time down-payment assistance.

NPHA's DPA Program shall comply with all applicable regulations of the Native American Housing Assistance and Self-Determination Act of 1996 (NAHASDA) along with other applicable rules and regulations. ## 1. PROGRAM DESCRIPTION

The DPA Program is specifically designed to increase the availability of affordable housing by addressing homeownership on several levels. It combines NPHA Indian Housing Block Grant (IHBG) funds with private first mortgages, thereby multiplying many times over the number of native families that can be assisted with NPHA's grant.

- A. **Eligibility** – The DPA Program is available to low-income Native American families with gross incomes at or below 80% of the median income adjusted for family size. The current income limits shall be appendices to this policy.
- B. **Credit** – DPA Program applicants must meet the credit requirements of the first mortgage lender (bank/lender). NPHA will assist applicants in demonstrating that they have stable income and the ability and willingness to meet financial obligations.
- C. **Affordability** – DPA funds are available to buy down the cost of owning a home. This results in a lower mortgage amount and lower monthly payments. NPHA funds will be in the form of a second mortgage with no monthly payments. This second mortgage is forgiven after the funding useful life has been exhausted.
- D. **Cash Flow** – DPA may include payment of reasonable loan closing costs associated with the first mortgage and NPHA's second mortgage.
- E. **Support** – Trained staff may assist eligible applicants in successfully working through the process of making an application to a bank/lender for a first mortgage loan.
- F. **Counseling** – Applicants will be required to participate in NPHA approved-homebuyers' classes designed to assist new homeowners in understanding and fulfilling the responsibilities of homeownership.

## 2. ASSISTANCE AVAILABLE

NPHA has established and implemented the DPA Program to assist creditworthy low-income households in purchasing a home. The maximum amount of assistance for each homebuyer will be as periodically determined by NPHA. The DPA loan will help with down payment and closing costs and is designed to make home mortgage payments more affordable. The following is a list of the assistance offered:

- A. **Down payment** - NPHA may provide funds to buy down the amount of the first mortgage to a level that is affordable to the homebuyer.
- B. **Rehabilitation** - Up to 25% of the down payment award may be used for repairs to a house that would otherwise fail inspection, as approved by NPHA.
- C. **Closing Costs** – A portion of the DPA award may be used for closing costs.

### 3. APPLICANT ELIGIBILITY

- A. **Native Restrictions** - Assistance is only available to members of a federally recognized tribe. Tribe means any Indian tribe, band, nation, or other organized group or community of Indians, including any Alaska Native village or regional or Village Corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act. Applicants must present a tribal membership card or other form of positive identification of native status at the time of application. Applicants enrolled in the Ponca Tribe of Nebraska will be given preference in awards per Ponca Preference Resolution 08-10, approved August 16, 2008. (See resolution 08-10).
- B. **Income Limitations** - Participation in the DPA Program is limited to low-income families as defined in the most recent HUD established income limits. The higher of the county or federal HUD income limit shall apply. Participants will be required to provide documentation to verify the determination of low-income status. NPHA shall re-verify applicant's income for eligibility purposes prior to DPA being provided.
- C. **Homeownership Counseling Classes** - The applicant shall successfully complete an NPHA home ownership-approved course to be eligible to participate in the DPA program.
